

IGREJA BAPTISTA - RAMADA, PORTUGAL

Located in Ramada, Portugal, 20 minutes from Lisbon, our community is witnessing growth, driven by an influx of Brazilian and Muslim immigrants. Our congregation, comprising a diverse mix of multigenerational immigrants, grapples with financial constraints in the high-cost Lisbon region. Our Sunday attendance has consistently averaged around 90 people since 2021, including Portuguese, Brazilians, Argentina, Angola, Cameroon, Guinea, and Ukraine.

NEEDS

- Partners who want to walk alongside us to invest in the work of the gospel in Portugal, understanding that it is a long-term commitment.
- Financial support for us as a family. Melisa works from home to support our family financially in addition to homeschooling and is heavily involved in our church plant.
- Portuguese resources.

OPPORTUNITIES

Develop a new church planter: we have a qualified man in our church who has the character, gifts, and pastoral calling, ready to leave his job for ministry. Our theological training plan is in place, with the vision for him to plant in an area 25 minutes from our church.
