IGLESIA BÍBLICA EVANGÉLICA - SABADELL, SPAIN

Sabadell is an industrial city of 250 inhabitants 30 km from the city of Barcelona. It is a vital and multicultural population with neighbourhoods with a Muslim, Gypsy and Hispanic American majority. The social context is secular, but also with strong Roman Catholic influences.

ABOUT

- **Name:**
Javier & Silvia Pérez
- **Location:**
Sabadell, Spain
- **Launch Date of Church:**
September 2017

NEEDS

- USD250 (or more) for the support of a small church plant 200 km from Sabadell.
- USD8000 for improvements to our facilities to accommodate our growing congregation.
- Support and mentorship on how we grow our leadership and raise up elder and deacons.

OPPORTUNITIES

We have a city of 250 inhabitants and others very close that form the industrial belt of Barcelona and have more than a million inhabitants. The number of healthy gospel-centred churches in that area is minimal (only 2). There is a great missionary work to carry out only in a radius of 50 km.
