

Church Planting Sunday Talking Points

- The Bible says that one day, a great multitude from all tribes, tongues, and nations will gather around the throne in heaven to worship God for all eternity. In the meantime, we're called to make, teach, and baptize disciples of Jesus who will make up this multitude. That's our church's mission. And it's why we partner with other like-minded churches in Acts 29.
- By being a member of an Acts 29 church, you are part of a network committed to planting churches worldwide. Your disciple-making efforts are increased through your involvement with Acts 29. You partner with believers in dozens of countries speaking many languages to make Christ known.
- **In 2022, Acts 29 welcomed 61 new churches—including 33 brand-new church plants!** We have hundreds of church planters in our pipeline and expect our global network of churches to nearly double in size over the next few years!
- Last year, we celebrated over **8,000 conversions in Acts 29 churches globally** as more people became followers of Jesus!

Acts 29 Boilerplate Language

- Of the eight billion people in the world today, only about one-third would call themselves Christians. That means billions of people don't know Jesus. We want people from every tribe, tongue, and nation to know and worship him. We believe that to be faithful to the Great Commission's call to make disciples is to be passionate about church planting. This is why we plant churches worldwide.
- Acts 29 is a global network for churches serious about church planting. There's an African proverb that says, "If you want to go fast, go alone. If you want to go far, go together." We can best bring the gospel to the ends of the earth when we do it in partnership with churches who share our passion for making disciples of all nations. Our efforts are multiplied and our God is glorified when we work together to advance his kingdom on earth.
- We're made up of over 700 partner churches in nearly 50 countries. **On any given Sunday, our churches are worshiping in over 30 languages!**

- We recruit, train, assess, and support church planters to plant evangelistic churches worldwide. We partner with believers around the world to plant churches in all contexts—suburban, urban, rural, and everything in-between—and in any place where Jesus is neither named nor known.
- We believe the church is God’s primary mission strategy on earth. Therefore, being faithful to the Great Commission’s call to make disciples means being passionate about church planting.
- Local churches stand as a trusted presence in a community, offering hope and help amid trials and tragedies, proclaiming Christ and seeing lives transformed by his gospel and for his glory.
