HOFFNUNGSKIRCHE WIPPTAL - AUSTRIA

We are located in rural west Austria, in the midst of a secular nominal Catholic context where only 0.3% of the population is evangelical.

ABOUT

- **Name:**
Alexander and Anna Reindl
- **Location:**
Steinach am Brenner, Austria
- **Launch Date of Church:**
March 2023

NEEDS

- Financial support to increase Alex's ability to work at the church 2-3 days per week instead of his current 1 day per week, as well as to fund pastoral trainees.
- Partners who understand the small growing rural context and are willing to partner for the long run.
- Friendship

OPPORTUNITIES

There are about 6 more valleys in the rural Alps west of Austria with no gospel preaching church. We desire for that to be changed and therefore leaders to be trained up accordingly.
