

EGLISE PROTESTANTE EVANGÉLIQUE - LOUVAIN-LA-NEUVE, BELGIUM

We're an evangelical church plant near Brussels, Belgium, focusing on uniting believers of all ages and backgrounds through the gospel of Christ. Our mission extends to both the student community and local residents, resulting in a diverse congregation comprised of families, seniors, and students.

ABOUT

- **Name:**
Robbie & Lizzie Bellis
- **Location:**
Louvain-la-Neuve, Belgium
- **Launch Date of Church:**
September 2020

NEEDS

- We are looking for USD10,000 per year to help fund our ministry intern programme. We long for Belgians to be trained up to be elders, pastors and church planters in this needy country.
- A 3-5 year partnership with another church that can help to support us as our church plant grows.
- Financial contributions towards university student evangelism week, an annual event that costs approximately USD13,000.

OPPORTUNITIES

- We aim to seize student outreach opportunities and nurture young disciples of Christ. Our intern program trains future gospel workers for French-speaking harvest fields.
- A more dedicated, month-long venue would increase our church's visibility and enable us to do church activities during the week.
