

SPOŁECZNOŚĆ CHRZEŚCIJAŃSKA - WROCLAW, POLAND

Our church is in Wroclaw, Poland, a city of one million people with over 100,000 students. The context is predominantly Catholic, and is lacking evangelical churches. We have approximately 50 adults and 20 children attending each Sunday, with a diverse mix of 40% students, 40% families, as well as Ukrainian refugees. New attendees, including non-Christians, join weekly, and we host midweek discipleship groups.
