IGLESIA EVANGÉLICA DEL SIL - PONFERRADA, SPAIN

We live in a city of just over 60,000 people and with another 70,000 in villages and towns within 30 minutes of us. Ponferrada is at the crossroads of the Castilian and Galician cultures in northwestern Spain. El Bierzo, our valley, is rich in Celtic, Roman, and Medieval Templar history. Our community speaks predominantly Spanish but with some Galician. It is nominally catholic and also has some witchcraft.
