

LILONGWE, MALAWI

VISION AND MINISTRY

We are serving in Lilongwe, the largest city in Malawi. It has a population of close to 2 million people - the majority being under 30. This represents some exciting opportunities for the Gospel. We are trusting the Lord to be His agents in seeing Christ centred, Gospel driven churches planted in our city and across the country.

PRAY

- For commitment to expositional preaching
- Ability to mobilize like-minded brothers for spiritual support
- Passion for evangelism and discipleship.

GIVE

- We are in need of a Toyota Quantum to transport college students to Church. The cost is \$25,000.
- \$300 per month for our medical insurance
- \$300 per month for our ministry - fuel, internet and miscellaneous ministry expenses.
