

SUWALIN EVANGELICAL FELLOWSHIP - PHILIPPINES

We serve among the indigenous people of Mindoro as cross-cultural missionaries and church planting catalysts. Our desire and work is to see the existing tribal churches revitalized and strengthened, then mobilized to multiply into unreached communities. The vision is for these churches to send their own missionaries to evangelize and plant new churches.

GIVE

- Solid church structure that can also be used by the community as an evacuation centre: \$15,000
- Sanitation facilities: \$2,000
- Water supply: \$2,000
