

Post-Conference Vision Trips

Acts 29 is a global network of churches united by shared theology, relationships, and a commitment to church planting. A vital part of our mission is building **church-to-church partnerships** between Acts 29 churches in the U.S. and Acts 29 churches around the world—marked by **prayer, generosity, and meaningful relationship**.

- ➔ Are you attending the conference from an Acts 29 church from the U.S.?
- ➔ Does your church currently have a global Acts 29 church partner?

If you do, and your partner is in Europe, consider visiting them after the conference!

If not, consider signing up for a **post-conference Vision Trip** to explore a potential partnership with an Acts 29 church plant in Europe. Several newer church plants are currently looking for partners, including opportunities in **France, Germany, Ireland, Italy, Slovakia, Spain, and Turkey**.

What to Expect

Vision Trips are designed for pastors, elders, or leaders from an Acts 29 US church and will begin immediately after the conference.

- **Saturday, 31 October (after the conference ends):** Travel with your host pastor to their city and begin learning their local context.

- **Sunday:** Attend worship, share meals, hear the story of the church, and meet members and leaders.
- **Monday:** Travel home—or extend your trip at your leisure.

After returning home, you'll have space to pray and discern.

Within a month, we'll help you identify possible next steps toward a [church-to-church partnership](#).

We ask that participants come with **serious, prayerful consideration** of pursuing a church-to-church partnership. At the same time, a Vision Trip is a season of discernment—not a commitment. There is **no expectation or obligation** that the visit will result in an official partnership for either the guest or host church. Even so, we're confident new friendships will be formed, and you'll be encouraged by a front-row view of how God is building his Church across Europe.

We are currently **finalizing host church profiles and itineraries** for these post-conference Vision Trips. We expect them to be ready—and the conference webpage to be updated—by **early March**.

To express interest now, click [here](#) or [contact us](#) for more information.

We look forward to seeing you in Athens!

Grace & peace,

Acts 29 Europe Team
