

Believers Fellowship Church Profile 2025

Overview:

Believers Fellowship is a vibrant, biblically-rooted nondenominational church in Gig Harbor, WA. The church was founded in 1978 in a living room and has grown to a church with 500-600 weekly attendance spread between two Sunday morning worship services. We are generationally diverse with a significant number of young families. Relationships are strengthened in small groups and ministry teams. We are known in our community for our strong biblical teaching, our top-notch children and youth ministries, and our strong cadre of committed believers ministering in their various spheres.

Mission:

Worship God in Spirit and Truth.
Grow in authentic relationship with God and each other.
Share the life-changing truth of Jesus with grace.

Humility, Authenticity, Honesty, Servant-Heartedness, Personal Growth, Accountability

Doctrine:

We believe that the Bible is God's Word and, as such, our supreme authority for life and worship. Believers Fellowship stands firmly within historic Christian orthodoxy, embracing Christian teaching as set forth in the creeds. Beyond this we look to be open-handed with issues that the Bible does not address specifically, and close-handed with issues that the Bible addresses clearly. Our doctrinal statement consists of foundational Christian doctrines and is our attempt to faithfully summarize biblical truth in our time. Some distinctives of our church are that we teach and practice believers baptism, follow the elder model of church government, have weekly communion, and are complementarian. We view our statement "Human Sexuality and the Gospel" as simple adherence to biblical teaching with regards to human sexuality, the image of God, the reality of sin, and our need for Jesus (we all need Him!). With respect to more particular doctrines beyond our basic doctrinal statement, we invite believers to search the Scriptures together and be united at the foot of the cross. We do not rally around particular political parties or agendas, we rally around the cross and our identity as God's people on mission for His glory.

Demographics and Staffing:

We are a multigenerational church with up to four generations of family members worshiping together! Weekly attendance averages 500-600, with one quarter of our people being children. We have lots of families in our community and lots of families in our church. If we count people who attend once or twice a month, we have 1000-1200 people who would consider our church to be their church home. As you peruse the website, you will see that we currently employ a staff of 11 (mixture of full-time and part-time), not including residents or interns. Our Family Ministry Team is robust, consisting of a part time Children's Ministries Director, three part time Children's Ministry Associates, and one full time Student Ministries Director. Additionally, we are in the process of hiring a High School Ministry Associate. We typically bring in three or four interns to serve during the summer months, and also have year-long residency programs. We have Middle School and High School students who gather mid-week, with adult small group mentors. We are known in our community for our MomCo program (formerly MOPS) that also meets mid-week, and our summer VBS program. In addition to all the grandparents, families and children, God has seen fit recently to add some singles and single parents in their 20s to our midst, for which we are grateful. Instead of a permanent worship leader, we currently have a variety of skilled volunteer worship leaders.

If you are considering our lead pastor position, we praise God for your desire to serve his people and pray that he will lead you to a place where you will flourish in your ministry--growing in your relationship with God and others as you teach and lead with grace and integrity. We pray that you would trust him in the waiting--and that his steadfast presence would fill you with joy.

"Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen." Eph 3:20-21
