Church Planting Residency

Just as teaching hospitals provide real-life experience for young, talented doctors, a church planting residency provides an irreplaceable learning laboratory for young, passionate planters who have completed their theological education and have been tested in the context of local church ministry to grow in the core competencies of a church planter.

- Prepares resident for a lifetime of flourishing in pastoral ministry.
- Full-time pastoral employment .
- A theology of faith, work, and economics.
- Two-year pastoral immersion in the life of Redemption City Church.
- Mentoring, coaching, and networking.
- Acts 29 Assessment.
- Church Planting Proposal.
